Reading

BRITISH SPORTING EVENTS: THE BOAT RACE

Every year, in spring, there is a famous boat race on the river Thames in London. About 250,000 people go to the river and watch it. Millions of people around the world watch it on TV. The Boat Race is sometimes called the Oxford and Cambridge Boat Race and it's a rowing race between the universities of Oxford and Cambridge. The rowers travel 6.8 kilometres and the race usually takes between 16 and 20 minutes.

There are eight rowers in each boat and they're all big, heavy men. There's also a cox in the boat, who doesn't row. The cox

must be a very light person, so it's sometimes a woman. She sits at the back of the boat and steers it. She also shouts at the rowers to make them go faster. All the people in the crews, or rowing teams, are students at the universities. The Cambridge crew wear light blue and the Oxford crew wear dark blue.

Although the Boat Race is a famous British sporting event, a lot of the rowers are not British. In 2014, for example, many rowers were from other countries including the USA, Germany and Australia.

Why are people interested in a race between two university boat crews? People like it because it's free. You don't need a ticket. And it's a fun day out near the river. People also like it because it's a very old tradition. The first Oxford and Cambridge Boat Race began on the Thames near Oxford in 1829.

Unit 1 Writing Guide

Text type: A personal profile

TASK Write a personal profile. Follow the steps below.

1 READ THE MODEL TEXT

Read the Model Text. What are the negative things about Katie?

My Best Friend by Naomi

My best friend is Katie. She's 15 years old and she's tall with brown eyes and long, dark hair. We chat online every day and I usually go to her flat after school. We like talking about films and clothes. We love listening to music on her smartphone. The Arctic Monkeys are our favourite group.

Katie is friendly, funny and energetic. She's very good at maths, art and music. She loves drawing and painting. At the moment, she's painting trees and flowers on the walls of her room. I enjoy spending time with her. We often do our homework together. When I have a problem with maths, she helps me. But Katie isn't perfect. She is sometimes lazy and she doesn't like cleaning or washing up. Her room is always untidy, too. But I think Katie is great. I'm never bored when I'm with her.

| 2 | Read the Model Text again. Tick (✓) the things Katie likes doing. | |
